Secretary of State Chris Nelson:

Please find enclosed the 2007 year-end report for the Hughes County Republican Party. You will note a discrepancy between the ending balance reported on the 2006 year-end report and the beginning balance of this report. Let me explain.

The discrepancy occurred because of a misreported amount of interest earned on an investment. On July 7, 2005 the organization invested \$7000 in a mutual fund. No interest or income has been realized from this investment to-date. However the increase in value was mistakenly reported as interest on the organization's 2005 year-end report although no interest or income had been realized.

The balance of the checking account maintained by the organization was \$1804.61 at the beginning of 2007. Therefore I am reporting this amount plus the initial investment amount of \$7000 as the balance of cash on hand at the beginning of the reporting period. When the organization chooses to sell the investment I plan to report the income earned at the time it is realized.

Please contact me with any questions.

Best regards,

Chad Heinrich
